DENTAL INSURANCE POLICY

We are COMMITTED to providing you with the best possible dental care. As a courtesy, if you have dental insurance, we will be happy to submit your pre-treatment estimate and insurance claim for services provided. However, you must realize that your insurance is a contract between you, your employer and the insurance company. We are not a party to that contract. Please be aware that not all services are a covered benefit in all contracts. Some policies arbitrarily exclude certain services. It is the patient's responsibility to know what their insurance will and will not cover.

In addition, should your insurance carrier deny your claim or there is a discrepancy between the expected payment and the amount received, it is YOUR responsibility to contact them for an explanation.

As far as our payment policy when insurance is being utilized, we expect payment of the ESTIMATED insurance copay at time of visit. Currently, we accept cash, checks, Mastercard, Visa or Discover. We also require that all balances---even those resulting from insurance payments not yet received---be paid prior to 60 days.

Please check the box indicating how you would like to be contacted for confirmation of appointments, questions, or checking up to see how you're doing after long appointments.
